

# Lynn English High School

## Science Team Transportation Permission Form

I, as parent/guardian of \_\_\_\_\_, understand that Science Team trips to competitions and other events will be conducted during after school hours throughout the school year. My signature at the bottom of this form indicates my permission for the above mentioned student to be transported by school bus to and from Lynn English High School, and that I will ensure that the above mentioned student has safe transportation home from LEHS upon return.

\_\_\_\_\_ If my initials appear in the blank to the left of this line, this indicates that I also give permission for the above mentioned student to be transported directly to and/or from LEHS for Science Team events in a vehicle driven by a teacher from LEHS.

I further understand and agree that the Lynn School Committee and the employees of the Lynn School Department have no liability in case of an accident during a trip sponsored by a recognized LEHS club, activity or sport.
